We really jumped into A.R. this week. The group is doing a great job with all of the extra reading. Please look at the results as they come home. The only complaint I have so far, is that a few are reading too quickly and not doing well on the computer test.

We started our hard back book project this week. Next week’s photo needed is a **baby photo** of your child. Thanks.

Book-It sheets for March went home last week. March is the last month that we read for the Book-It Program.

The Germantown P.T.A. is selling butter braids. The orders are due by March 9th. The top selling class will earn a donut and juice party.

****Please continue to practice counting money, telling time, and adding and subtracting double digits at home! These are great things to do in the car or while waiting at a restaurant.**
