# Koop Scoop

## **The Week in Review:**

The students are doing a great job working together in groups for our Flight unit in Science. I appreciate their efforts.

We were treated today to donuts and juice for being the top selling class for “Butterbraids”—great job everyone.

## **“Whatsup” next week:**

Reading: continuing “Esperanza Rising”

Math: reviewing skills

English: starting “Hate That Cat”-poetry

Spelling: words from story

Science— flight

Social Studies-Midwest

## **The Bottom Line:**

Early dismissal May 7.  
Band Spring Concert May 13  
Lewis and Clark Field Trip May 14.

Bring band instruments tomorrow.
