

Dear Parents and Guardians:

Germantown Jr. High is offering Homework Headquarters this year after school from 3:05-4:00 on Tuesday and Thursday.

Students who wish to attend regularly should fill in the section below. If a student wishes to attend sporadically they should have a note from a parent EACH time that student will attend. No student will be allowed to attend Homework Headquarters without permission from a parent. That permission could be a phone call or e-mail to Mr. Gabler or a note from the parent prior to 3:00 on the day the student plans to stay.

Hopefully students will use this resource for extra help and time to complete homework. Students who attend must stay until 4:00 unless they have written permission to leave earlier.

Any questions or problems please call Mr. Gabler at 523-4253 or e-mail at sgabler@clinton.k12.il.us.
