March 4, 2010

This week:

We celebrated Dr. Seuss' birthday this week with lots of stories and activities relating to his books. These books are great for the kids to try reading because they have so many popcorn words and others words that are easily decodable. We practiced lots of rhyming, "green eggs and ham" addition, beginning letter sounds, and more!

Next week:

Reading - booklet *He Is Pug*, letter Ee, summarizing, & action words
Math - Complete Chapter 10 on measurement, begin chapter on "time"
Centers: St. Patrick's Day

Notes:

- **Book orders** are due tomorrow for those ordering.
- **March 25** - K-2 will take a field trip to Kaskaskia College to experience the Muntu Dance Theatre of Chicago. There is a **\$2.00 fee and permission slip** to be returned by **March 12th**.
- **Butterbraid orders** - **Due March 9th**. The top selling class gets a donut and juice party.

Enjoy a warm weekend!
