I can't believe the year has come to an end! To me, it just flew by, maybe because I did miss 6 weeks of it. You all are a wonderful group! I will definitely miss you next year. You were a wonderful guinea pig group! We did lots of new things this year and I hope to continue those things in the years to come. I loved working with each one of you; you will do great in Jr. High. Remember, Monday the 24th you will come and get your report card and will be dismissed around 8:45 that morning.
